Passion For Accuracy

Client Reviews

East Amanyia Pharmacy

Output Books has transformed our accounting and inventory management with its user-friendly interface and comprehensive features. The seamless integration with our accounting system saves us time and effort.

The support team at Account IT is exceptional, always responsive and ready to assist with any queries. I highly recommended Account IT to any business looking for a reliable growth partner”.

Sofaamy Company Limited

“Account IT’s software has been a game-changer for Sofaamy Glass Processing. The user-friendly interface and comprehensive features make it easy to manage our finances, track expenses, and stay on top of invoicing. The customization options and seamless integration with our processes have streamlined our workflow and improved efficiency. Plus, the scalability means we can grow our business with confidence.

We highly recommend Account IT Ltd to anyone looking for a reliable and efficient accounting solution.

We have been consistently impressed with Account IT’s customer service. Whenever we had questions or challenges, the representatives were friendly, knowledgeable, and quick to help. The wait times have been minimal, and the support team has gone above and beyond to ensure we get the most out of the software. Their patience and expertise have saved us time and reduced stress. Kudos to the Account IT team for providing top-notch support - it's clear they prioritize their customers' success! 5/5 stars"

Health Corner Pharmacy

“Before adopting Account IT's software, we struggled with disparate systems and manual processes that slowed us down. Now, everything from billing to inventory is integrated into one platform, saving us time and reducing costs.

The Account IT team has been there every step of the way, providing excellent support and guidance. Their commitment to our success is evident, and we couldn't be happier with the results. Our business has grown, thanks to Account IT.”

West African Hardware & Decor Ltd.

“Our business has a large product offering and multiple branches selling at different prices. Thus, we needed a deeply integrated inventory management software that can easily track the movement of stock and monitor sales with relevant financial analysis which helps in our operations and forecasting.

AccountIT has been a reliable solutions partner providing all we need in this regard. Their timely support team is always within reach to assist us in navigating any challenge we come across.

I recommend their services to any business looking for a reliable business solutions partner.”

Amab Enterprise

“Adopting Account IT’s software has been a game-changer for our business. The seamless integration of accounting and inventory management has not only streamlined our operations but also significantly improved accuracy of our business records. The user-friendly interface made the transition smooth.

The support from the Account IT team has been exemplary. Their dedication to understanding our needs and providing tailored solutions has truly transformed the way we manage our business.”

Ade Pharma Limited

“Account IT has been instrumental in helping us transform our operational efficiency. The ability to customize their software to fit our unique processes has made a world of difference.

Account IT is always responsive and proactive in addressing our concerns, ensuring we get the most out of their business growth solutions. I would recommend Account IT to any business seeking to accelerate its growth with cutting-edge accounting & inventory management software.

Adopting Account IT’s software has been a game-changer for our business. The seamless integration of accounting and inventory management has not only streamlined our operations but also significantly improved accuracy of our business records. The user-friendly interface made the transition smooth, and the support from the Account IT team has been exceptional.

Partner Reviews

Marg CompuSoft

"Our partner, Account IT, offers exceptional IT services for Marg ERP Software across Africa. They have a dedicated team that works tirelessly to meet client needs and are a key player in supporting SMEs and MSMEs. Appointing them as a partner was an excellent decision, as they consistently deliver outstanding results."

Output Books

"Our partnership with Account IT has been instrumental in expanding our reach and delivering exceptional value to businesses across Africa. As the sole partner of Output Books in the region, Account IT has demonstrated unparalleled expertise and dedication to accelerating the growth of businesses in Africa. Their deep understanding of local markets and commitment to customer satisfaction has ensured that our clients receive the best possible service and support. The collaboration between our teams has been seamless, and we truly value the trust and professionalism that Account IT brings to this partnership. Together, we're driving success and empowering businesses across Africa."

Nesis Prestige, Sunyani

"Partnering with Account IT has been a game-changer. In addition to their software being reliable and robust, the team's professionalism, responsiveness, and unwavering support have made our collaboration seamless and highly productive. We look forward to many more successful years together".

Output Books

"MB Delwin Consult is delighted to recommend Account IT as a trusted partner for Marg ERP Software services in Ghana. Their team of experts demonstrates unwavering dedication to delivering top-notch support, catering to the unique needs of clients with precision and care. As a key ally for Enterprises and Private Ltd Companies, Account IT has been instrumental in driving success.

Partnering with them has been an exemplary decision, yielding consistently outstanding results. We extend our sincerest appreciation to the team."
